

## **FAQ – Chain Song – ENG**

### **What does Chain Song mean?**

A Chain Song is a collective song: the union of many individual contributions that come together to create one single piece of music.

### **Can I take part even if I'm not a professional musician or singer?**

Yes, the Chain Song is open to everyone, regardless of musical experience.

### **By when do I need to share my video?**

The video must be shared by February 6, 2026.

### **Is there a prize?**

There is no prize. However, selected contributions will have the chance to see their video included in the Paralympic Opening Ceremony.

### **Can I take part as a group?**

Yes, group participation is allowed and there is no limit to the number of people.

### **Can I record only my voice, without instruments?**

Yes, you can record voice only, as long as the audio is clear and easy to hear.

### **How will I know if my video is part of the Ceremony?**

If your video is selected, you will be contacted directly by our team.

### **How long should the video be?**

The video must be 20 seconds long.

### **What are the technical requirements?**

All technical specifications are available at [volaremilanocortina2026.filmmaster.com](https://volaremilanocortina2026.filmmaster.com)

### **Can I record with any device?**

Yes, you can use any device, as long as the video meets the required format.

### **Can I submit more than one video?**

Yes, you can submit multiple videos. There is no maximum number of contributions.

### **How are the contributions selected for the Chain Song?**

Contributions will be selected by a team of professionals who will choose the ones best suited for the final project.

### **Will only selected participants be contacted?**

Yes, for organizational reasons, only selected participants will be contacted.
